Successful fundraising this year raised just under £500, although Fantasy League cancelled owing to lack of support.

It was noted that there were less paid up members this year.

The full report can be viewed on the website.

DW highlighted that the Club finances are in a healthy position. Emphasis at the Club is on enjoyment of the game of cricket and not profit-making.

NK suggested grants may be available from the Sandwich Neighbourhood Forum and that suitable project should be proposed. New mower and replacements doors were suggested. **(Action: Committee)**
